A THOUGHT FOR THE YEAR 2020

2020 Vision is clear and is considered the best site a person can have. Corrective lenses are prescribed to help many see better. The corrective lens for the church is love, hospitality is a frame to hold that lens, to see clearly! Consider Gaius.

Romans 16.23 Gaius, my host and the host of the whole church, greets you. Erastus, the treasurer of the city, greets you, and Quartus, a brother.
