

**Assistance In Mothering Ministries of First  
Baptist Church Woodville**

**OUR MISSION**

**Our goal is to offer counseling and supportive services to women, children, and families in need. To help you decide the best possible decision for you, your baby, and your family. To help you understand what options you have, and how, what choices you make Will affect and change yours, and your baby's Life for good and for bad forever. We are a gospel based Organization whose focus is not just on your baby but also on you. We offer several services to assist you no matter what decision you make about your pregnancy. We are not here to judge you we only want to help you make an informed decision, and to understand, how the choice or choices you make, Will affect you in the long term. We want to teach you about what God says about you and your baby. We are here to support you right now and into the**

**future. Our aim is to not only prevent you from making a choice that you will regret for the rest of your life, but also offer you counseling services for adoption, keeping your baby, or if you have had or are considering an abortion. We believe that through God all things are possible. We also believe that as Jesus commanded we must love and care for each other. We also believe that all life is sacred, yours, your baby's, and your family's. Whether you have already decided what to do, in your current situation or not, we are here to support you and provide any information we can, every step of the way. We also offer parenting classes, a learn to earn program, where you can earn things you may need for your baby. We can also assist you with finding shelter, clothing, food, medical care, doctors, or adoption options if that is your choice.**
